

Application for International Master of Landscape Architecture (2 year)

General advice for your portfolio

- The portfolio must contain a minimum of 3 projects/study activities.
- Portfolio should show ability to design on an advanced level, focusing on landscape and public space.
- The portfolio must contain short, descriptive texts:
 - If the projects are school projects, work related, group projects, etc.
 - For group projects:
Please clearly state the individual contributions done for each project. All projects must contain full credits for group work, including the name(s) of students in the project as well as coordinating teacher(s).
 - Context, length of, and your role, in the project
 - When in your studies did the project take place. State clearly if it is part of professional work.
- We recommend you to have your best projects in the beginning of your portfolio
- Remember a new page or other clear dividers between the projects.
 - Layout, space, typography and hierarchy of the information as well as composition should make it easy to get an overview
- We recommend to use PDF landscape format because we will look at the portfolio on a screen.
- We recommend that you add your CV in the beginning of the portfolio.
- A link to your website is also welcome.
