Application for Master of Architecture (2,5 years)

General advice for your portfolio

- The portfolio must contain a minimum of 3 projects. It must contain a selection of your work/projects, from studies and work experience.

- The portfolio can be maximum 15 MB. Your portfolio must be uploaded as one single PDF file.

- The portfolio must contain short, descriptive texts:
  - If the projects are school projects, work related, group projects, etc.
    - For school projects:
      Please state which school and semester, and the name(s) of the responsible teacher(s).
    - For group projects:
      Please clearly state the individual contributions done for each project. All projects must contain full credits for group work, including the name(s) of students in the project as well as coordinating teacher(s).
    - For professional works:
      Please clearly state the name of the office and your role(s) in the project.
  - Context, length of, and your role, in the project
  - When in your studies did the project take place

- We recommend that you add your CV in the beginning of the portfolio..

- Remember a new page or other clear dividers between the projects.
  - Layout, space, typography and hierarchy of the information as well as composition should make it easy to get an overview

- We recommend to use PDF landscape format.

- A link to your website is also welcome.

Criteria for assessment are knowledge and sensibility towards various aspects of architecture studies, skills and variety of representation, and portfolio design: structure, length, clarity and overall concept and intention.

Please note:
Applications only with link to portfolio on a website will be considered incomplete and will not be handled.
