

Application for Master of Design (2 year)

General advice for your portfolio

- The portfolio must contain between 5 - 10 projects
- The portfolio must contain short, descriptive texts:
 - If the projects are school projects, work related, group projects, etc.
 - For group projects:
Please clearly state the individual contributions done for each project. All projects must contain full credits for group work, including the name(s) of students in the project as well as coordinating teacher(s).
 - Context, length of, and your role, in the project
 - When in your studies did the project take place
- We recommend you to have your best projects in the beginning and the end of your portfolio
- We recommend you to use 1 page per project, and 2-3 pages on approximately 3 of the best projects (including process photos)
- Remember a new page or other clear dividers between the projects.
 - Layout, space, typography and hierarchy of the information as well as composition should make it easy to get an overview
- We recommend to use PDF landscape format
- A link to your website is also welcome.
